Plate Pillows (four colorways)

Something Blue Collection

This simple pillow design perfectly complements the two Plate Collection Quilts. The Something Blue fabric collection is inspired by lovely blue and white pottery, a combination that creates a timelessly fresh look, which so many people love. The circular shapes of the plate are created with appliqué and extra interest is added by fussy cutting the central area of the plate to display an attractive motif.

Fabric Note

- If you want to fussy cut a motif from Fabric 2, then buy the larger square given in the materials list.
- The button pack contains four buttons 16mm in diameter and four buttons 20mm in diameter. If using these to secure the back of the pillow cover, choose either the smaller or larger buttons as you desire.

Button cards are 400076 (light) or 400077 (dark)
