Village Life Pillows (Blue & Putty)

Village Life Collection

If you are making the Village Life quilts, a selection of pillow designs have been created to complement each quilt. The pillows would also make lovely projects on their own. For the Village Life quilt in Putty, which has fabrics in crisp and cool winter shades on a putty background, there are two pillow designs. One has a layout of a house block beside a kiosk block on a blue background, while a second pillow has a tree block beside a different house block on a putty background. Both pillows are described and illustrated in this file, beginning with the House/Kiosk Pillow and followed by the House/Tree Pillow.
