Village Life Pillows (Charcoal & Duck egg)

Village Life Collection

If you are making the Village Life quilts, a selection of pillow designs have been created to complement each quilt. The pillows would also make lovely projects on their own. For the Village Life quilt in Charcoal, which has fabrics in warm autumnal shades on a charcoal background, there are two pillow designs. One has a layout of a house block beside a kiosk block on a charcoal background, while a second pillow has a tree block beside a different house block on a duck egg background. Both pillows are described and illustrated in this file, beginning with the House/Kiosk Pillow and followed by the House/Tree Pillow

Fabric Notes
