Wall Hanging (Blue/Burgundy)

Village Life Collection

A wall hanging is a lovely project that is perfect for home decoration or to give as a house-warming gift. This design features a single house block, which makes it quicker to stitch than a quilt, and it would make a wonderful companion to the Village Life quilt. For the Village Life quilt in Putty, which has fabrics in crisp wintery shades on a putty background, there are two wall hangings to choose from. One has a house on a blue background, while another has the house on a burgundy background.

Fabric Note

- * If the 27½in (70cm) long pieces of Fabric 1 for the house (ii on Fig C) are cut vertically you will need ⅞yd (80cm); if they are cut horizontally then ¾yd (40cm) would suffice. The fabric pattern for this fabric is omnidirectional, so could be rotated.
- ** Thin wadding is recommended to make sewing through several layers easier.
- Where a long eighth of a yard is given in the Materials list you could use fat eighths instead. A fat eighth is assumed to be approximately 10½in x 18in (26.7cm x 45.7cm).
